Experiences you have had with paddling that you want us to know (years, travels, competition such as Hawaiki Nui, one-man competitions, canoe sailing, etc.)

Paddled for a couple of small Hui Waa clubs 20+ years ago, Had to quit when I started the business. It was something I enjoyed & have wanted to get back into paddling for long time.

Also was a participating parent in the restoration of "Papaloa"

Why do you choose Healani Canoe Club as your volunteer commitment?

I always try to give back more than I receive. I really enjoyed being back in the "boat" this year to work out. My way of giving back to Healani is to do what I can to help the club while sitting on the board.

Any other information you want us to know? (e.g. other boards you serve on, your own or family accomplishments, family members who paddle for Healani Canoe Club)

Just asked to sit on the board of Directors for Kumu Kahua Theatre  
I'm still looking for the rest of my 50 Master's crew
